7.1.11: Institution celebrates / organizes national and international commemorative days, events and festivals

MVGR College of Engineering is committed to promote ethics and values amongst students and faculty to encourage the same, University organizes National festivals as well as Anniversaries for the great Indian Personalities this include.

1. International Women's Day (8th March)
2. International Yoga Day (21st June)
3. Independence Day (15th August)
4. Republic Day (26th Jan)
5. World Environment Day (5th June)
6. NSS Day (24th Sept)

Our students are on a mission towards better India by breaking the boundaries of religion and caste. Thoughts of great Indian personalities sowed into the young minds through the exhibitions and programs conducted on these days. The institution practices pluralist approach towards all religion functions and encourages the students and faculty to showcase the same. Every year our institute organizes the national festivals and birth / death anniversaries of the great Indian personalities. Staff and students get to know the importance of national integrity in the country in general and their role in it in particular.

26th January Republic Day - Republic Day is celebrated every year on January 26 to commemorate the adoption of our constitution. Various formal events including flag-hoisting and march-past are organized on this day, which are followed by "constitution awareness program" in which students and staff members are made aware of their duties towards our nation and rights given to them by our constitution.

15th August Independence Day - It is celebrated every year on August 15, and is a grand event marked with the flag hosting by the Chief Guest and well-practiced march-past by many teams of Invertis University. Cultural activities related to independence movement are exhibited.

21st March International Yoga Day: June 21, also called summer solstice, is the longest day of the year. Therefore, it was decided that the International Yoga Day would be celebrated by MVGR on this day. Yoga has been beneficial in keeping the body and mind in sound health. A holistic approach, Yoga targets all the different systems of the body and mind. It is said that the asanas make the body strong and flexible, as health improves; the mind too is renewed with confidence. The practice of Pranayama regulates the purification of the internal system and the organs, acting as a superior and able supplement to asanas. The energy that is generated in the body through these physical practices is then channeled into meditation or Dhyan for stability, peace and calm. The students and staff of the MVGR were actively participated on this auspicious day.

8th March International Women's Day: International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality. In MVGR College, the Women's Day celebrated with women's achievements, raise awareness about women's equality, lobby for accelerated gender parity. MVGR College of Engineering sensitizes students and employees regarding gender equity and takes the social responsibility by creating awareness on various gender aspects through expert talks, sensitization programs, and conducting campaigns on current gender issues time to time. All the Women Faculty and Girl Students of MVGR College were actively participated every year on this Day.

05th June World Environment Day: The main objective is to raise awareness among people to protect the environment by looking at various problems regarding scorching issues of environment pollution, drastic climatic changes, greenhouse effect, global warming, black whole effect etc, among human beings on the planet Earth. The students and Staff of MVGR under NSS Unit creates awareness and importance of Environment Day to the citizens and students of adopted villages and nearby schools. As a part of the World Environment Day, MVGR College has planned to implement various green technologies within the campus.

24th September NSS Day: The concept of National Service Scheme is started in the year 1969 to build sense of social responsibility through teacher and students involvement in constructive service with the motto of “Not Me But You”. The MVGR NSS volunteers work in rural areas, adopted villages and school to the serving the cause of society through survey, education and health awareness programme. NSS Day was celebrated every year with appropriate programmes and activities. MVGR NSS Unit Regular activities includes functional literacy and non formal education, plantation, preservation and up keeping of trees, construction and repair of roads, cleaning of village ponds and wells, construction and laying of parks, health education and primary health care, first aid awareness, blood donation, anti drug addiction drives, AIDS awareness, advocating advanced agricultural practice, disaster management (Cyclones, floods, earth-quakes, drought), women empowerment, road safety, socio-economic surveys, improvement of campus etc

Independence Day Reports (2015-2020)

Independence Day 2019:

NSS MVGR Paada Yatra "150th birth anniversary celebrations of Mahatma Gandhi" on 15th August 2019

MVGR College of Engineering celebrated 73rd Independence Day with a motto to promote "Service is Freedom". On the occasion Dr.Y.M.C Sekhar, Vice - principal hosted the flag and the staff of the college, students have participated in the event. Dr. Y.M.C Sekhar

addressed the gathering and said that we shall realize the current scenario of the country and act accordingly, further one should understand the sacrifices are being made by our soldiers for protecting our freedom and pay due respects to them.

Commemorating the sacrifices of many a great martyr, the students organized rock band concerts to showcase their patriotic fervor. As a part of 150th birth anniversary celebrations of Mahatma Gandhi, NCC cadets, NSS volunteers, faculty and staff together held a rally from college campus to Ayinada junction for speeding the preachings of Mahatma deep into the minds of the public to realize the true meaning of independence. Further FYFP (From the Youth For the People) has done plantation, around 100 plants planted

nearby all social utility places of adjacent villages around the college. On this Occasion Dean Students Mr.S.Mohan Kumar exerted that the Independence day is not the day for spending leisurely, it is a day for celebrating the real independence by being socially responsible for the protection of nature, environment and citizen rights.

Independence Day, 2018:

MVGR College of Engineering, vizianagaram, celebrated 72nd Independence Day. Dr.KVLRaju, Principal, hoisted the national flag and he reviewed the parade taken up by NCC team of the college. He spoke about the significance of the historic day and urged the students to become model citizens of the nation. On the occasion, students participated in various cultural events with great patriotic fervour. Mr.Adithya Srinivas, Chemical IV year student, gave presentation on Biomimcry describing the essence of developing

sustainable technology. The other list of programmes include patriotic songs, speeches, stories depicting Pre- independence struggle of great leaders were organized by students. These varied programmes staged by students mark tributes to freedom fighters who sacrificed their lives for the country. In the context, the family of MVGR College of engineering offered tributes to the two martyrs of vizianagaram. (Late).Mr. KV Raman, ranked as NAIK, (kanapakamandal, vizianagaram) who demised in Kargil war on 2.3.2000 and Mr. MessalaSrinivas Rao, (Mentada,Vizianagaram) was killed in a militant attack in Jammu and Kashmir on 26.9.2013. MVGRCE took the opportunity of honoring the bereaved families of the martyrs from Vizianagaram district. On the occasion, P. Ashok GajapathiRaju, Chairman, MANSAS, stated that the greatest of all sacrifices is life. He paid tributes to the great souls who died for the nation. He opined that gaining independence was a continuous process and it is a result of great sacrifices of people over generations. He said "I am happy to be here at MVGR since the true spirit of independence has been practised in remembering and paying tributes to the martyrs of the land". He also stressed that it is essential to know its history and culture for its future prosperous growth. At this point, He emphasized that India should move towards sustainable development to remain on one of top positions among other nations. P.AdithiGajapathiRaju, member, MANSAS, Dr.D.R.K.Raju ,Correspondent, MANSAS ,Dr P.L.P. Raju , governing body member, MANSAS graced the occasion and gave away the prizes to winners of cultural and literary events. Further, MVGR management has arranged free meals to around 1000 people in the honour of the Martyrs of the land at ANNA canteen,RTC Complex, viziangaram.

Independence Day, 2017:

MVGR College of Engineering, vizianagaram, celebrated 71st Independence Day. Dr.KVLRaju, Principal, hoisted the national flag and he reviewed the parade taken up by NCC team of the college. He spoke about the significance of the historic day and urged the students to become model citizens of the nation. On the occasion, students participated in various cultural events with great patriotic fervor.

Dr. Y.M.C Sekhar addressed the gathering and said that we shall realize the current scenario of the country and act accordingly, further one should understand the sacrifices are being made by our soldiers for protecting our freedom and pay due respects to them.

Commemorating the sacrifices of many a great martyr, the students organized rock band concerts to showcase their patriotic fervor.

The NCC & NSS volunteers have taken the responsibility for smooth conducting of the event. The volunteers participated in the event are performed their talents by singing patriotic songs and classical dancing.

Independence Day, 2016

68th Independence Day Celebrations were organized by the NCC & NSS unit of our college on 15th August of 2016, in the college campus. NCC & NSS volunteers reached the college campus by 9.00 A.M. NSS & NCC volunteers made all the necessary arrangements.

- The Principal Dr.K.V.L. Raju garu hoisted the national flag at 10.30 A.M. in front of the administrative block of the college.
- Our beloved Principal Dr.K.V.L. Raju garu addressed the gathering about the patriotism & sacrifice of freedom fighters towards national integrity.
- He quoted that “Today we are living on the paths lead by our great National leaders and we should not let them down”.
- He quoted that “Every individual must take the responsibility in the development of the country”
- Other senior faculty also shared their experiences regarding national integration.
- The NCC & NSS volunteers have taken the responsibility for smooth conducting of the event.
- The volunteers participated in the event are performed their talents by singing patriotic songs and classical dancing.

President: Dr.K.V.L.Raju, Principal, MVGR College of Engineering

Independence Day, 2015

67th Independence Day Celebrations were organized by the NCC & NSS unit of our college on 15th August of 2015, in the college campus. NCC & NSS volunteers reached the college campus by 8.00 A.M. NSS & NCC volunteers made all the necessary arrangements.

- The Principal Dr.K.V.L. Raju garu hoisted the national flag at 8.30 A.M. in front of the administrative block of the college.

- Our beloved Principal Dr.K.V.L. Raju garu addressed the gathering about the patriotism & sacrifice of freedom fighters towards national integrity.

- He quoted that “Today we are living on the paths lead by our great National leaders and we should not let them down”.

- He quoted that “Every individual must take the responsibility in the development of the country “

- Other senior faculty also shared their experiences regarding national integration.

- The NCC & NSS volunteers have taken the responsibility for smooth conducting of the event.

- The volunteers participated in the event are performed their talents by singing patriotic songs and classical dancing.

President: Dr.K.V.L.Raju, Principal, MVGR College of Engineering

Republic Day Reports (2015-2020)

Republic Day, 2020

Republic Day, 2016

69th republic Day Celebrations were organized by the NCC & NSS unit of our college on 26th January 2016, in the college campus. NCC & NSS volunteers reached the college campus by 8.00 A.M. NSS & NCC volunteers made all the necessary arrangements.

The main features of this program are given below:

- The Principal Dr.K.V.L. Raju garu hoisted the national flag at 8.30 A.M. in front of the administrative block of the college.

- Our beloved Principal Dr.K.V.L. Raju garu addressed the gathering about the patriotism & sacrifice of freedom fighters towards national integrity.

- He quoted that “Today we are living on the paths lead by our great National leaders and we should not let them down”.

- He quoted that “Every individual must take the responsibility in the development of the country “

- Other senior faculty also shared their experiences regarding national integration.

- The NCC & NSS volunteers have taken the responsibility for smooth conducting of the event.

- The volunteers participated in the event are performed their talents by singing patriotic songs and classical dancing.

Flag Hoisting by Dr.K.V.L. Raju, Principal

International Women's Day Reports (2015-2020)

International Women’s Day 2019:

The Women Empowerment Cell of MVGR College of Engineering (A) celebrated the International Women’s Day on this occasion Dr.Nandini C.P., Associate Professor Damodaram Sanjeevayya National Law University, Sabbavaram and Ms.A.Monika Sree (MVGR Alumni) Senior Software Developer L & T,

Infotech are the special invitees. MVGR College Women Empowerment Cell Coordinator Dr.M.Sarah Kamala Kumari has given the annual report of Women Empowerment Cell Dr.KVL Raju, Principal MVGR addressed that girls got many opportunities and they are proving their potentiality in getting jobs as equal to boys students. Dr Nandini C.P said girls are already powerful and born with a talent. Also she addressed about child abuse and sexual abuse. MVGR Alumnus Ms.A.Monika Sree shared his views with college girl students.

In this event Vice-Principal Dr.Y.M.C.Sekhar, Heads of Departments, Staff, Girl Students and WEC student Coordinators were participated and graced the occasion.

International Women's Day 2018:

The Women Empowerment Cell of MVGR College of Engineering has celebrated the International Women's Day. As a curtain raiser, the girl students has organized Bike Rally in association with the Police Department of the district from the SP office to the FORT Junction, creating awareness

among the public about traffic rules and road safety on 7th March 2018.

On the 8th of March the cell organized many events exhibiting the talents of the girl students like Project Expo demonstrating Go-Kart, IoT projects for agriculture and transport sectors, models of CIVIL constructions and electrical transmission networks. Food, crafts, Art gallery were amongst few stalls which attracted the audience. Cyber safety, health & Hygiene are the domains on which students created awareness to the visitors. Games like Treasure Hunt and JAM sessions made the event lively.

Prof. KVL Raju, the Principal of the college, Vice Principals, Heads and staff of the college visited the stalls and appreciated the talents of the students. Ms.K.Rajya Lakshmi, Convener, Ms.K. Sobha Rani, Secretary along with WEC coordinators organized the event.

International Women's Day 2017:

International Women's Day has been celebrated on 08 March. The Women Empowerment Cell of MVGRCE(A) has been conducted International Women's Day celebrations.

MVGR College of Engineering (A) Women Empowerment Cell and

Hindu has organized a program on the occasion of Women's Day. The main objective of this Event is "How to create opportunities rather than waiting for them to happen".

For this Event Senior Education Officer of the Eastern Naval Command Commander Shruti Dhawan, Madhu Tugnait Icha Foundation, a home for 15 physically challenged and homeless children at Kondakarla and Advocate and convener of the Union government's initiative "Beti Bachao, Beti Padhao", Rahimunnisa Begum were the resource persons.

The resource persons had addressed a points like Women in top leadership roles continue to maintain a low profile as many would give up their professional life over a period of time and changing the social fabric of society by empowering women with survival skills. Around 50 girl students exhibited

handmade accessories to organizing fun-filled games.

International Women's Day 2016:

Women Empowerment Cell of the college has organized an one day Women's Day Celebrations in the college on 6th March. The cell in association with The New Indian Express organized a panel discussion on "Gender Discrimination - Problems of Women. "Eminent

Women from vizianagaram district like Ms. Krishna Veni, DY. Commissioner Transport; Ms.Kameshwari,Advocate; Ms.Krishna Kumari, Managing Director of Krishna Nursing Home; Ms.Swapna Hyndavi, Principal Sanskrit College; Ms.Swathi Journalist, The New Indian Express were the resource persons for the panel discussion. Ms.Rajya lakshmi, Convener (WEC); Ms.Swathi Patnaik,Coordiantor(WEC); Ms. Sarah Kamala Kumari, Asst.Professor English Department also participated in the panel discussion.

Elocution on the same topic was organized for the girl students of the college. Students participated enthusiastically and The New Indian Express gave away prizes and merit certificates to the winners.

In the afternoon session of the one day program WEC hosted celebrations for the girl students. Ms. Krishna Veni, DY. Commissioner Transport graced the occasion as chief guest and ; Ms.Kameshwari,Advocate from vizianagarm district was the guest of honor. Venkatalakshmi , bronze medal winner of Common wealth champion ship, was invited and felicitated by the Principal and Chief Guest for her contribution to sports. The program concluded with prize distribution to winner of various events organized in this context.

International Women's Day 2015:

Women Empowerment Cell of the college has organized One Day International Women's Day Celebrations in the college on 7th March 2015. A legal expert talk was organized as part of International Women's Day celebrations. Chall Mahalakshmi, Senior advocate, Visakhapatnam graced the occasion as

chief guest and addressed the girl students on the legal support entitled to women and how to utilize them in the case of necessity.

Chall Mahalakshmi addressed to the students that Legal Support includes all types of safeties and everybody should give the information of any crime happen nearby their residences with responsibility. She also emphasized on different types of sections and Laws available for Women Protection and Safety.

In this Program, The Women Students and College Women Faculty were participated.

International Yoga Day Reports (2015-2020)

International Yoga Day, 2019:

In view of the International Yoga Day, the MVGR-NSS Unit has successfully conducted "The Yoga and Meditation Awareness Campaign" on 21-06-19 at 6.30

AM to 11.30 AM. The President of the function Dr. K.V.L.Raju, Principal, has inspired the students by sharing his own experiences about the habit of Yoga and how this habit contributes to the happiness and success of humanity. He exerted that in this stressful scenario every individual especially students should make Yoga and Meditation

as a part of their lifestyle. Moreover, he mentioned the importance of Yoga Asanas, pranayama and other concentration techniques in Yoga. In addition to this, he quoted that

practicing Yoga can improve memory power as well as a balance of clarity and tranquility of the mind also can be accomplished. It gives efficiency, rapidity and energy to respond to the outer world. He also said that the effect of Yoga is not only on the inherent personality, but the outer look of the person also becomes more attractive, powerful and happy with the practice of Yoga.

Sri S.Mohan Kumar, Associate Professor & Yoga Trainer from Heart fullness, Vishakapatnam spoke about various methods of Yoga practices with a live demonstration to the students. He trained all the student participants with simple Yoga postures and emphasized the need for Yoga for one's well-being and heart-based mediation for regularization of mind and also for evaluation of personality. There were about 100 students participated in the International Yoga Day Celebrations.

Dr. B.Sarva Rao, NSSPO, concluded the session with a vote of thanks by expressing a deep sense of gratitude to the management of MVGR for supporting the NSS unit with all necessary requirements. In this event Boys Hostel Chief Warden Dr.Anjaneyulu, Vice- Principal Dr.Y.M.C.Sekhar, Deans, staff and students have participated.

International Yoga Day, 2018:

In view of the International Yoga Day, the MVGR-NSS Unit has successfully conducted “Yoga and Meditation Awareness Campaign” on 21-06-18 at 9.30 AM to 12.30 PM in the Seminar Hall, Civil Engineering Block, MVGR College of Engineering. The President of the function Dr. K.V.L.Raju, Principal, MVGRCOE has inspired the students by sharing his own experiences about the habit of Yoga and how this habit contributes to happiness and success of humanity. Moreover, he mentioned about the importance of Yoga Asanas, pranayama and other concentration techniques in Yoga. In addition to this, he quoted that practicing Yoga can improve memory power as well as a balance of clarity and tranquility of the mind also can be accomplished. It gives efficiency, rapidity, and energy to respond to the outer world. He also said that the effect of Yoga is not only on the inherent personality, but the outer look of the person also becomes more attractive, powerful and happy with the practice of Yoga.

The Chief Guest Sri Ch. Sri Krishna Guruji, Professor & Yoga Trainer from International Institute of Yoga Research & Training, YOGA CONSCIOUSNESS TRUST, Bheemili spoke about various methods of Yoga practices with live demonstration to the students. Further, the NSS unit conducted Essay writing competition on “Yoga and its importance in the human life” on 22-06-15. There were about 40 students participated in the competition. Dr. B.Sarva Rao, NSSPO, concluded the session with vote of thanks.

Yoga guru Sri.S.V.Satyannarayan demonstrating Yoga, Principal Dr.KVL Raju addressing the gathering

International Environment Day Reports (2015-2020)

World Environment Day, 2019:

As a part of the World Environment Day i.e. 05-06-2019, a special camp was conducted at Bodadavalasa village Primary School premises. Prof.D.J.J.Raju garu, Vice-principal of MVGR College of Engineering addressed the gathering about the importance and the need for Swacch Bharat, plantation as well as youth empowerment. Youth have very good opportunities to utilize and empower themselves by imbibing latest skills. India possesses great strength of youth compared to world, we need to transform them in to right direction, then only we are successful in our part. Nearly 20 villagers, 50 volunteers were present during the camp on that day.

SWACCH BHARAT AND CLEAN AND GREEN ENVIRONMENT

MVGR NSS Unit conducted a cleaning session of school premises as well as village roads with broom sticks and all the 50 NSS Volunteers have voluntarily cleaned the entire village with the support of student volunteers. The sarpanch of village Smt.Laxmi felt very happy to be part of a team to serve their village for one week during the camp that is scheduled.

PLANTATION PROGRAM

MVGR NSS Unit conducted Plantation program during afternoon session. Nearly 50 saplings of different fruit varieties were planted in and around the village. Smt.Laxmi, village sarpanch along with the principal of MVGR College of Engg planted saplings in the school premises. NSS program officer Dr. B. Sarva Rao has explained about the importance of social service and he suggested to the public be away from the bad habits to prevent chronic diseases.

Plantation programme at Boddavalasa village

World Environment Day, 2018:

On the occasion of World Environment Day, we have taken initiation to spread the message of "GO GREEN" among the public in the interiors of chintalavalasa village of Denkada mandal. NSS Unit & FYFP team of MVGR College has gone to chintalavalasa village to plant saplings in the name of GREEN VOTE and spread message among the villagers on the eve of Environment Day. About 90 families were benefitted by planting saplings across the roads of Chintalavalasa village.

Planting the saplings in Chintalavalasa village

World Environment Day, 2017:

World Environmental Day was celebrated on June 5th with the theme of “SEVEN BILLION DREAMS; ONE PLANET; CONSUME WITH CARE” at MVGR College of Engineering campus by planting many tree saplings. As a part of this event, College has planned to implement various green technologies within the campus.

On this occasion, Principal, Dr KVL Raju mentioned that rapidly Increasing economic activity in order to improve the standard of living is contributing enormously to bring down the quality of life in terms of health, environment and access to food, energy and water. Moreover, natural resources like water, air, soil and energy are the worst hit among the other things as a result of our unsatisfied quest for exploring various avenues for the same. In addition to this, exponential growth in population, changing diets, proportionate food production and energy intensive human practises are only adding to and compounding the pressure on our access to clean and safe Environment. Therefore, it is imperative that we should work towards developing and deploying technologies and also coping-up with emerging trends in our endeavour of sustainable practices to conserve natural resources.

A team of faculty and NSS student volunteers from all departments joined hands for this green movement on the occasion of **5th June 2017**. The program started with a green rally which was initiated by our honorable Principal Dr.K.V.L.Raju, where the students participated with boundless energy

and enthusiasm. From there we made our journey towards nearby village Boddavalasa where honorable Village Sarpanch planted the first sapling at primary school and gave a message to students and public that “Plants absorbs all kinds of pollution and give fresh oxygen”. With this message, volunteers were more motivated and made this green movement a grand success. Then student volunteers planted about 50 saplings in the primary school surroundings. NSS program officer Dr.B.Sarva Rao distributed about 45 flowering plants to the interested household members for planting saplings at the respective houses and conveyed the importance of plantation for better society.

World Environment Day, 2016:

On the occasion of World Environmental Day on June 5Th 2016, our MVGR NSS unit initiated massive plantation programme at our college premises. Around 50 active volunteers planted 100 saplings at our college open ground with the motive of save environment by promoting greenery through massive plantation.

Students planting saplings

Students planting plants in ground near to sports complex.

World Environment Day, 2015:

World Environmental Day was celebrated on June 5th with the theme of “SEVEN BILLION DREAMS; ONE PLANET; CONSUME WITH CARE” at MVGR College of Engineering campus by planting many tree saplings. As a part of this event, College has planned to implement various green technologies within the campus.

Staff and Students with plant splings for plantation

On this occasion, Principal, Dr KVL Raju mentioned that rapidly Increasing economic activity in order to improve the standard of living is contributing enormously to bring down the quality of life in terms of health, environment and access to food, energy and water. Moreover, natural resources like water, air, soil and energy are the worst hit among the other things as a result of our unsatisfied quest for exploring various avenues for the same. In addition to this, exponential growth in population, changing diets, proportionate food production and energy intensive human practices are only adding to and compounding the pressure on our access to clean and safe Environment. Therefore, it is imperative that we should work towards developing and deploying technologies and also coping-up with emerging trends in our endeavor of sustainable practices to conserve natural resources.

NSS Day Report (2019)

“National Service Day” on 24-09-2019.

On the occasion of National Service day MVGR College of Engineering (A), NSS unit has organized NSS volunteers orientation programme. Jana Vignana Vedika Activist, Sri

Venkat Rao was the chief guest.

Sri Venkat Rao emphasized the need of service and how the attitude of service being imbibed and groomed, volunteers should not do any service oriented job with an expectation but with satisfaction. One should realize that there is dire need of service and it has no limitation or boundaries.

Speaking on the occasion Dean-Students Mr. S.Mohan Kumar has exerted that service should not be the trend of the

day to make social networking status but it should be for the sake of service and from the bottom of the heart. He added that volunteer services should not be constrained with academic limitations.

Vice- Principal Dr.Y.M.C.Sekhar has expressed his happiness over students motivation to be volunteers and asked the volunteers to render selfless services. NSS programme officer Dr.B.Sarvarao has given the mission of NSS unit and its objectives for rendering their services to the society.

Librarian Mr.K.Uma Mahesh Yadav, Faculty members and students participated in the event.

Report on Celebrations of
National Mathematics Day
(2015 to 2019)
at
MVGR College of Engineering (A)
By
Department of Mathematics

Test of Intelligence

Every year Dept. of Mathematics conducts National Mathematics Day on the memory of birth anniversary of legendary mathematician Srinivasa Ramanujan, who made extraordinary contributions to mathematical analysis, number theory, infinite series, and continued fractions.

Srinivasa Ramanujan (1887-1920) was an Indian Mathematician and autodidact who, with almost no formal training in pure mathematics, made extraordinary contributions to the world of mathematics. The English mathematician, G. H. Hardy placed Ramanujan on par with legendary Mathematicians such as Gauss, Euler, Cauchy, Newton and Archimedes and he is widely regarded as one of the towering geniuses in Mathematics. In regarding of his contributions to mathematics, in December, 2011, Government of India declared 2012 as the "National Mathematical Year". Ramanujan's Birthday-22nd December is celebrated as "National Mathematics Day" every year.

With this inspiration Dept. of Mathematics conducts National Mathematics Day with the following objectives

Objectives

- To create wide awareness about Legendary Mathematician Srinivasa Ramanujan and his contributions in the world of Mathematics amongst the students in particular and faculty in general
- To enthuse students so that they can appreciate the role of Mathematics in the pursuit of their present study
- To enhance students learning by developing problem solving and independent learning skills
- To keep up awareness and interest in mathematical science and also about great Indian mathematicians amongst students

To achieve the above stated objectives Department conducts various activities including

(i) Test of Intelligence

(ii) Oral/ PPT Presentations

It is an intra-collegiate quiz competition test on “Intelligence” measured through *riddles and puzzles solving capacity* and *aptitude levels* of individual students. The test broadly covers three areas namely (i) Biography of Srinivasa Ramanujan and his contributions in the world of Mathematics, (ii) Intelligence based Riddles and Puzzles and also (iii) Quantitative Aptitude. The pattern of the test shall be as follows:

	Section	Questions	Marks	Time
1	Biography of Srinivasa Ramanujan and his astonishing contributions to world of mathematics	05	05	05min
2	Intelligence-I (measured through solving capacity of Riddles and Puzzles)	10	10	10min
3	Intelligence-II (measured through Quantitative Aptitude levels)	15	15	30min
	Total	30	30	30min

Section wise timings shown above are only for indication and guidance. Student can attempt the questions in the order he likes, in the way he likes and in the manner he likes within the total time of 30 minutes. The scope and coverage of topics in the said test shall be in line with the section wise references cited below:

Section	References
Biography	“The man who knew infinity” by Robert Kanigel (book) “Srinivasa Ramanujan” by Suresh Ram (book)
Intelligence-I	“Puzzles to puzzle you” by Shakuntala Devi (book) jnsilva.ludicum.org/HMR13-14/536.pdf (link)
Intelligence-II	“Quantitative Aptitude” by R.S.Agarwal & “Quicker Maths” by Tyra (books)

- 1st, 2nd & 3rd rankers in the test shall be awarded with certificates and mementos.
- Majority of the questions will be either one-word-answer type or fill-in-the-blank type while the rest are multiple-choice-type. The test will conduct in online /off-line mode.

Oral / PPT

presentations

scope of these *Oral / PPT presentations* is limited to one of the following themes namely:

Theme-1:	Biography of Srinivasa Ramanujan
Theme-2:	The works/ contributions of Srinivasa Ramanujan to the world of Mathematics in general and to the field of computations in particular
Theme-3:	Applications of Mathematics to the field of Engineering

- Students can participate as an individual or a team of maximum size 5
- Individuals / teams intended to participate in this event are to select one of the above themes.
- The length of the presentation shall not exceed 10 mins.
- In case, any student/ team opts theme-3, his/its presentation may focus on the applications of Mathematics in their own branch of engineering.
- These presentations are expected to be presented to selected jury members on the date as indicated below
- The best teams shall be honored with a certificate of merit and other teams would also be honored with participation certificate

Note: These Events are not limited to any particular program or year. These are open to all students of all years of all programs.

2019

Intra Collegiate Events on the eve of National Mathematics Day-2019
(Department of Mathematics)

INVITATION

Srinivasa Ramanujan (1887-1920) was an Indian Mathematician and autodidact who, with almost no formal training in pure mathematics, made extraordinary contributions to mathematical analysis, number theory, infinite series and continued fractions. The English mathematician, G. H. Hardy placed Ramanujan on par with legendary Mathematicians such as Gauss, Euler, Cauchy, Newton and Archimedes and he is widely regarded as one of the towering geniuses in Mathematics. In regarding of his contributions to mathematics, in December, 2011, Government of India declared 2012 as the "National Mathematical Year". Ramanujan's Birthday-22nd December is celebrated as "National Mathematics Day" every year.

Department of Mathematics, with the following objectives, is proud to announce to organize two events namely, **Event-I: Test of Intelligence** & **Event-II: Oral/ PPT Presentations** on the eve of "National Mathematics Day" on 22.12.2019:

- To create wide awareness about Legendary Mathematician Srinivasa Ramanujan and his contributions in the world of Mathematics amongst the students in particular and faculty in general
- To enthuse students so that they can appreciate the role of Mathematics in the pursuit of their present study
- To enhance students learning by developing problem solving and independent learning skills
- To keep up awareness and interest in mathematical science and also about great Indian mathematicians amongst students

All the students are invited to participate in the said events the details of which are provided hereunder:

EVENT-I Test of Intelligence

It is an intra-collegiate quiz competition test on "Intelligence" measured through *riddles and puzzles solving capacity* and *aptitude levels* of individual students. The test broadly covers three areas namely (i) Biography of Srinivasa Ramanujan and his contributions in the world of Mathematics, (ii) Intelligence based Riddles and Puzzles and also (iii) Quantitative Aptitude. The pattern of the test shall be as follows:

	Section	Questions	Marks	Time
1	Biography of Srinivasa Ramanujan and his astonishing contributions to world of mathematics	10	10	10min
2	Intelligence-I (measured through solving capacity of Riddles and Puzzles)	20	20	20min
3	Intelligence-II (measured through Quantitative Aptitude levels)	30	30	30min
	Total	60	60	60min

Section wise timings shown above are only for indication and guidance. Student can attempt the questions in the order he likes, in the way he likes and in the manner he likes with in the total time of 60 minutes. The scope and coverage of the topics in the said test shall be in line with the section wise references cited below:

Section	References
Biography	"The man who knew infinity" by Robert Kanigel (book) "Srinivasa Ramanujan" by Suresh Ram (book)
Intelligence-I	"Puzzles to puzzle you" by Shakuntala Devi (book) jnsilva.ludicum.org/HMR13-14/536.pdf (link)
Intelligence-II	"Quantitative Aptitude" by R.S.Agarwal & "Quicker Maths" by Tyra(books)

- 1st, 2nd & 3rd rankers in the test shall be awarded with certificates and mementos.
- Majority of the questions will be either one-word-answer type or fill-in-the-blank type while the rest are multiple-choice-type. The test will be conducted in off-line mode.

EVENT-II Oral/ PPT Presentations

The scope of these *Oral / PPT presentations* is limited to one of the following themes namely:

Theme-1:	Biography of Srinivasa Ramanujan
Theme-2:	The works/ contributions of Srinivasa Ramanujan to the world of Mathematics in general and to the field of computations in particular
Theme-3:	Applications of Mathematics to the field of Engineering

- Students can participate as an individual or a team of maximum size 5
- Individuals / teams intended to participate in this event are to select one of the above themes.
- The length of the presentation shall not exceed 10 mins.
- In case, any student/ team opts theme-3, his/its presentation may focus on the applications of Mathematics in their own branch of engineering.
- These presentations are expected to be presented to selected jury members on the date as indicated below
- The best teams shall be honored with a certificate of merit and other teams would also be honored with participation certificate

Important Information

- These Events are not limited to any particular program or year. These are open to all students of all years of all programs.
- White papers (maximum of 2 numbers) shall be provided at the time of the test for rough work. Students are not supposed to bring anything to the test hall except a pen or two.
- Interested students willing to register for the said events shall give their names to their respective Class Representatives (CRs).
- The final PPTs should be submitted to the faculty coordinators through mail on or before **12-12-2019**.
- Important Dates**

Activity	EVENT-I	EVENT-II
Registration	10-11-2019 to 05-12-2019	10-11-2019 to 12-12-2019
Event-I Test / Event-II Presentations	06-12-2019	13-12-2019
Results	15-12-2019	15-12-2019

In case of any question / for more information students can write to the email: hod.maths@mvgrce.edu.in or else the following points of contact shall be approached:

Dr. Ch. Gopala Rao Asst.Prof.-Maths Cell: 9550316157 Email: gopalchalumuri83@gmail.com
Dr. Ch. Venkata Rao Asst.Prof.-Maths Cell: 9573335535 Email: venki003@gmail.com

Participation in the said activity shall leave the student with a wonderful experience and also, this can be a **great resume builder** for the winning students. In view of the above and also in line with the objectives of the program stated above, students are informed to participate in the above event without fail.

With good wishes

2018

NATIONAL MATHEMATICS DAY-2018
(on the eve of 131st Birth Anniversary of Srinivasa Ramanujan)
MVGR College of Engineering (Autonomous)

-o0o-

Date & Time: 22nd December 2018 at 09.00 AM
Venue: Conference Hall, ECE Building

Program Schedule

09.00 am - 09.15 am	Receiving guests and interaction with HoDs & ADMN Team Members
09.15 am - 09.30 am	Garlanding and Floral Tributes to SRINIVASA RAMANUJAN Statue at S&H Block by Guests, ADMN Team, and HoDs
09.30 am - 10.25 am	Program at Conference Hall, ECE Building
	Introductory remarks by
09.30 – 09.40	Dr. Ch. Purnachandra Rao Professor & HoD-Maths
09.40 – 09.45	Audio & Video (AV)-Biography of Srinivasa Ramanujan
	Message by
09.45 – 09.55	Dr. K.V.L.Raju Correspondent – MANSAS & Principal, MVGR College of Engineering
09.55 – 10.00	Introduction to Chief Guest by Dr. B.M.B. Krushna, Sr. Asst. Prof., Mathematics
	Message by Chief Guest:
10.00 – 10.10	Sri Siddantam Trinadha Rao School Asst.-Mathematics Z.P. High School, Bhogapuram
10.10 – 10.15	Felicitation to Chief Guest
10.15 – 10.20	Distribution of prizes and certificates students
	Vote of thanks proposed by
10.20 – 10.25	Dr. T. Ramprasad, Asst. Prof. & Coordinator of the Event

PTO

Department of Mathematics Organized
Intra Collegiate Quiz Competition-2018

(As a part of National Mathematics Day celebrations on the eve of 131st Birth Anniversary of Srinivasa Ramanujan)

About the Program

Under the background cited above, Department of Mathematics, MVGR College of Engineering (Autonomous) organized an "Intra Collegiate Quiz Competition-2018" in a befitting manner with diversified areas of mathematics and related fields. This college-wide-activity was organized with effective participation of the students of all years and all programs in the college. The activities of said quiz competition which began sometime in the middle of October, ended on 15.12.2018

Objectives of the Program

- To create wide awareness about Legendary Mathematician Srinivasa Ramanujan and his contributions in the world of Mathematics amongst the students in particular and faculty in general.
- To enthuse students so that they can appreciate the role of Mathematics in pursuit of their present study
- To enhance students learning by developing problem solving and independent learning skills
- To keep up awareness and interest in mathematical science and also about great Indian mathematicians of amongst students

Pattern and scope of the Intra Collegiate Quiz Competition-2018

The details of the proposed quiz competition are provided hereunder for reference:

Quiz Competition broadly cover three areas namely (i) Biography of Srinivasa Ramanujan and his contributions in the world of Mathematics, (ii) Intelligence based Riddles and Puzzles and also (iii) Quantitative Aptitude as per the following guidelines:

	Section	Questions	Marks	Time
I	Biography of Srinivasa Ramanujan and his astonishing contributions to world of mathematics	10	10	10 min
II	Intelligence-I (measured through solving capacity of Riddles and Puzzles)	20	20	20 min
III	Intelligence-II (measured through Quantitative Aptitude levels)	30	30	30 min
	TOTAL	60	60	60 min

- Section wise timings shown above are only for indication and guidance. Student was allowed to attempt the questions in the order he likes, in the way he likes and in the manner he likes with in the total time of 90 minutes
- The scope and coverage of topics in the said test was in line with the section wise references cited below:

Section	References
Biography	"THE MAN WHO KNEW INFINITY" by Robert Kanigel (book)
	"SRINIVASA RAMANUJAN" by Suresh Ram (book)
Intelligence-I	"PUZZLES TO PUZZLE YOU" by Shakuntala Devi (book) jnsilva.ludicum.org/HMR13-14/536.pdf (link)
Intelligence-II	"QUANTITATIVE APTITUDE" by R.S.Agarwal(book)
	"QUICKER MATHS" by Tyra(book)

The following are the first FIVE rankers in the said Quiz Competition

Sl. No.	Regd Num.	NAME	BRANCH	SECTION	MARKS IN ICQC - 2018				RANK
					SEC I	SEC II	SEC III	TOTAL	
1	18331A0307	A M SAI KIRAN	MECHANICAL	A	6	16	19	41	1
2	16331A0442	S DURGA SRAVANI	ECE	A	2	13	25	40	2
3	17331A0352	G YASHISH KUMAR	MECHANICAL	A	7	9	23	39	3
4	18331A0339	D CHANDRA MOULI	MECHANICAL	A	3	13	22	38	4
5	18331A0284	R PRAVEEN	EEE	B	0	11	23	34	5

2017

NATIONAL MATHEMATICS DAY CELEBRATIONS

Department of Mathematics
MVGR COLLEGE OF ENGINEERING (A)

On the occasion of Srinivasa Ramanujan's birth anniversary, which is celebrated as National Mathematics Day, the Department of Mathematics is conducting **MATH-WHIZZ [Objective type]** on 24th November 2017 (Friday) from 1.30PM to 2.30PM. Interested students can register their names with Dr.T.Ramprasad, Asst. Professor, Department of Mathematics, on or before 18th November 2017.

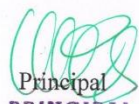

Topics for the Test:

- *Section1:* Biographies of Indian Mathematicians/Events
- *Section2:* Puzzles
- *Section3:* General Aptitude

Exam pattern: Total numbers of questions – 45(15 from each section and each question carries 1Mark)
Time – 45 minutes

Eligibility for ranking: Students shall secure minimum of 50% marks in each section
